## Welcome to the 2020-2021 school year!

The Galt Ag Boosters is a non-profit organization comprised of parents in the FFA community and supporters of the Galt/Liberty High School Agriculture programs.

The current members are working hard to recruit additional members (parents) to help support the 1,300 FFA students and teachers within both high schools. Our main objective is to raise money via fundraisers to help assist FFA students throughout the year. Some of our contributions are:

- Senior scholarships (\$15,000 awarded in 2020)
- Meals during Sacramento County Fair
- Discretionary Funds for each chapter to be spent on FFA students:  
Travel, Lodging, and registration for students to attend various conferences, field trips, agri-science and leadership competitions and misc. events.

Please consider joining Galt Ag Boosters. We need YOU to help us make a difference and have a successful year!
